National Championship (January 7):

(Alabama or Oklahoma) Vs.

(Clemson or Notre Dame)

Winner: Alabama

Winner Score: 31

Loser Score: 24

1. Whoever picks the most correct games wins. In order for your pick to count for the National Championship, you have to correctly choose the winner, not necessarily the loser (Meaning if you choose Alabama over Clemson but it's actually Alabama over Notre Dame, you still get that game correct).
2. The first tie breaker is the record of the 7 committee bowls (Peach, Cotton, Orange, Fiesta, Rose, Sugar, National Championship).
3. If still tied, the Cotton, Orange, and National Championship games will be the tie breaker
4. If still tied, the National Championship winner will be the tie breaker
5. If still tied, the score of the National Championship will be the tie breaker
6. Get your picks back to me by December 14th.
