**National Championship (January 9, 6:30 PM on ESPN):**

\_\_\_\_\_ (Georgia or Ohio State) Vs. \_\_\_\_\_ (Michigan or TCU)

Winner: \_\_\_\_\_

Winner Score: \_\_\_\_\_ Loser Score \_\_\_\_\_

1. Whoever picks the most correct games wins. For your pick to count for the National Championship, you must correctly choose the winner, not necessarily the loser (Meaning if you choose Georgia over Michigan but it's Georgia over TCU, you still get that game correct).
2. The first tie breaker is the record of the 7-committee bowls (Peach, Cotton, Orange, Fiesta, Rose, Sugar, National Championship).
3. If still tied, the Fiesta, Peach, and National Championship games will be the tie breaker
4. If still tied, the National Championship winner will be the tie breaker
5. If still tied, the score of the National Championship will be the tie breaker
6. If (somehow) still tied, Amber automatically wins since both schools she went to made the playoff.
7. Get your picks to me by the beginning of the Bahamas Bowl (December 16<sup>th</sup>, 10:30 AM Central Time).
