1. Whoever picks the most correct games wins. In order for your pick to count for the National Championship, you have to correctly choose the winner, not necessarily the loser (Meaning if you choose Nebraska over Iowa but it's actually Nebraska over Wisconsin, you still get that game correct).
2. The first tie breaker is the record of the 7 committee bowls (Cotton, Peach, Fiesta, Orange, Rose, Sugar, National Championship).
3. If still tied, the Rose, Sugar, and National Championship games will be the tie breaker
4. If still tied, the National Championship winner will be the tie breaker
5. If still tied, the score of the National Championship will be the tie breaker
